

Friends:

Every few years a new golf course comes along that warrants a high placement on the “worlds best” rankings, and appears on magazine covers across the globe. Undoubtedly, one of the best links courses of the last decade is Castle Stuart in Inverness, Scotland, which has recently opened to rave reviews.

We think so highly of this links course that we have a free DVD named “Finding Castle Stuart” to whet your appetite – call us or email me if you would like a free copy (or visit www.castlestuartgolf.com). As you can see from these photos below, Castle Stuart GC is really spectacular:

8th green

4th green & castle

11th hole

16th green

Now you have a reason to return to the gorgeous Scottish Highlands and play Castle Stuart GC, which we believe ranks right up there with its ancient neighbor, Royal Dornoch. We are now accepting 2010 and 2011 reservations for golfers to visit Castle Stuart and the other great links of Scotland. Call us at 800-214-4653 to plan your golf vacation and make sure to include Castle Stuart, which we think is one of the best links courses in the world.
